

## Welcome to the Course

These courses provide an opportunity to earn CEs through reading NCDAs Career Developments magazine.

Career Developments - the NCDAs quarterly, membership magazine - is a themed publication offering articles that balance a broad vision with practical applications. Each issue offers articles focused on the selected theme, a feature article on a prominent NCDAs event or activity, and content for departments that match the work settings of members.

This course provides access to the magazine for members and non-members.

## Learning Objectives

After completing this course, you should be able to:

- Recall key concepts and strategies included in the issue's articles.

## Course Structure

Course components include:
